

About RETEC 2010 Sponsorship

Registration fees for attendees are kept low in part by the generous donations of corporate and individual sponsors. Sponsorships are available in the form of cash donations or event sponsorships.

If your company is interested in sponsoring RETEC 2010 please contact Sponsorship Coordinator Sharyl Reid:

Sharyl Reid

Phone: (864)968-2426

Fax: (864) 968-9515

Benefits of Sponsorship

Sponsorship offers an opportunity to increase your company's visibility in the plastics industry and at the conference. Here are just a few places where sponsors receive special recognition:

- On specad.org and/or 4spe.org
- On signage at the RETEC Conference
- In registration materials
- In the final brochure - if received by Jun 10. (Circulation: ~15,000+ mailings)
- In a post-conference CAD Newsletter (Circulation: ~1400 industry professionals)
- From industry peers for defraying costs that would normally be passed on to registrants
